Customer Reviews

I love movies, and often do a "quote of the day" for my co-workers. Thought this would be fun, but most of the quotes are pretty terrible. They aren't interesting, fun, or funny most of the time. An example for you ... with all the loquacious dialog in the three Lord of the Rings movies (not to mention many Hobbit films) the quote they chose from all of that was: "My precious" ... that's it o_O

These had to be fake reviews. These quotes were obvious. Pathetic purchase.

Lots of fun movie quotes to read each day. This calendar was a gift and was a great hit. It is well made and the pages do not fall off prematurely. Anyone who loves moves will like this calendar.

I LOVE this page a day calendar.

Good for the whole year of laughs

Fun thing for someone who works at a desk and loves movies/movie quotes

Great product and great delivery. Highly recommend.

I love this calendar. Every morning my boss asks for the quote and tries to guess the movie. I will buy it again for next year!
