and is the author of many best-selling books, including *When Things Fall Apart*, *The Places That Scare You*, and *Living Beautifully with Uncertainty and Change*.

I have learned so many helpful skills from this calendar. I seem to have greater peace with myself and in my relationships when I reflect on and practice Pema's advice. This marks the fourth year in a row that I order her calendar. The photographs are stunning and inspiring, too. They are even better, in my opinion, than the other "photographic calendars" I have bought, e.g. Ansel Adams, Audubon Society, etc.

Lovely...
