## Customer Reviews

The National Library of Scotland is the world's leading centre for the study of Scotland and the Scots. We are a major European research library, with collections of world-class importance.

This was an enthusiastically received Christmas gift for someone who loves old maps and Scotland. A product made for him! He has gotten out his magnifying glass and studied the old and newer maps more than once. For the price I am pleased with the product. Originally was told item would arrive after Christmas but it delivered in time for gifting. Very pleased.

A cover you see every day usually you end up not seeing, while a detailed map is something you are drawn to look at, as a bonus to using the calendar itself.
