Apocrypha Now

Synopsis

Mark Russell & Shannon Wheeler's faithful yet irreverent approach to the Bible made their book *God Is Disappointed in You* a modern cult classic. Now, by popular demand, they turn their attention to the best parts left out of the canonical Bible, including the Midrash, the Apocrypha, Gnostic Gospels, and more! And if you thought the Bible had some weird stuff in it....

Customer Reviews

A few times, I laughed out loud -really! It's a bit like a humorous intro and "Cliff Notes" to the Apocrypha, Jewish writings and alternate Gospels. The official versions of those books are some I would never have read. But after Russell's & Wheeler's send-up version, I have looked into the real versions to compare. This book, along with "God is Disappointed in You" have an honored space on my book shelf next to my standard versions of the Bible.

I enjoyed *God Is Disappointed in You* and appreciate the sequel just as much. The author & illustrator manage to keep a light tone while adhering to scriptural accuracy with respect.

I have this on Audio and Kindle. This is an enjoyable listen for commuting. I learned a lot and appreciated the sarcasm.

Very funny and breezy take on Biblical information. Will offend people who take religious documents

as the infallible word of God.

Great book ! Short,sweet and to the point ! The narrator does an excellent job and is funny as all heaven .

Great book

It was a great book and arrived just as promised

Gold-edged with a purple ribbon place marker, the words of Jesus in classic Bible-red, this is a delight. Funny, smart, political, and thoughtful through and through - a take on the writings that didn't make it into the Bible.
