The Shinar Directive: Preparing The Way For The Son Of Perdition's Return

Synopsis

The Shinar Directive serves as a kingdom intelligence briefing for God's people in the twenty-first century. On the ancient plains of Shinar, an evil was born: The first world king, the prototype transhuman, the ultimate despot, the Son of Perdition--Nimrod. In Babylon, the Son of Perdition devised the Shinar Directive: the enslaving of humanity and the war against the God of Heaven. God's intervention at the Tower of Babel only delayed his hellish plans. The Luciferian Elite now control three key circles of influence in the world: financial, political, and religious. However, controlling these three systems was not enough. The laborers of Mystery Babylon have been quietly planning and waiting for thousands of years for the releasing of the Watchers of Genesis 6. Now armed with developing Watcher technologies, the Elite will use transhumanism and mind control to build the Joel chapter 2 army: the army of the Antichrist. We are beginning to realize that the mark of the Beast and the image of the Beast are much more than we could have ever imagined; beyond an implant and beyond a physical mark, they will affect DNA and who we are at a molecular level! As the powers of Mystery Babylon gather to create the new Tower of Babel and prepare for the Son of Perdition's return, Heaven is issuing a clarion call to the Remnant: Know the strategies of the enemy, untangle yourself from it, and become the victorious Church! Heaven's Jewish Apostle of Love, John, reveals the coming conflict in his book of Revelation and provides the ancient Hebraic wisdom encoded in 1 John to equip the bondservants of Messiah with the tools of the kingdom to overcome the Shinar Directive!

Dr. Michael Lake's latest installment is a daring proclamation as to the proliferation of subversive evil in the world today and its beginnings. Not only does he cover numerous esoteric societies prevalent in culture, choosing to undermine Almighty God's plan for humanity but provides a plethora of documental evidence as to their genesis, the paragon of which is Mystery Babylon. His exhaustive research surrounding the progenitor of the mystery religions (Nimrod) is worth the price of the book alone and the numerous references at the end of the book are tantamount to the level of extensive research undertaken for what could be his magnum opus. Hopefully there is plenty more where this came from in future volumes! It is nice to see a scholar having the temerity to discuss topics not often covered in academia or Christian circles, largely because many authors choose not to go there for fear of backlash or ridicule. The nefarious schemes of the enemy at the highest levels of leadership in government and private organizations need to be exposed and this body of work serves as an arrow fired deep into the heart of the occult.

One of the finest Bible prophecy books I have ever read, Dr. Michael Lake has produced an instant classic of the new paradigm of prophetic interpretation. This is a book about the anti-Christ system of Mystery Babylon and the under-acknowledged influence of Nimrod and ancient Babylon on the stream of history. Dr. Lake cites classical sources, Hebraic word studies and some of the other new prophetic writers to bring the reader a comprehensive understanding of how, from the beginning of time, Satan conspired with fallen man to counterfeit God's promise of a redeemer and of a place of promise with Him. Satan's masterpiece was Nimrod, the original tyrant, who carried within him the secret occult power that dominated the pre-flood world (Atlantis) and infected mankind with the Nephilim curse. The result was the New Atlantis -- the ultimate totalitarian political-financial-religious system in defiance of God. Originally established at Babylon, the satanic conspiracy rolled down through history, infecting all of the societies, governments and people it came into contact with -- even corrupting God's people, Israel, and infiltrating the church. Dr. Lake covers this vast material in an easy to follow style that will guide the reader through the layers of the conspiracy from Genesis to Revelation. This is the new paradigm of prophecy, one that incorporates an understanding of Hebrew literary conventions, a supernatural worldview, the prophetic role of Islam and the conspiracy view of history. Those accustomed to the old "Dallas Theological Seminary" prophecy model will be uncomfortable with some of this material. That's unfortunate, because that old paradigm ignored historical realities like the role of the Ottoman Empire (Caliphate) and the

Babylonian nature of Roman Catholicism; unpleasant possibilities such as America's occult heritage and her role in the conspiracy as the New Atlantis; and Biblical prophetic truths that can only be understood in terms of the events of Genesis and by a grasp of the original Hebrew meaning of words. The Shinar Directive is highly recommended.

After reading the overview series via the Raiders News Network pertaining Dr. Lake's book, I could not wait to get my hands on a copy. His work exceeded my expectations, and I finished it in a week. As a Christ-follower, and avid Bible reader, for the past few years I had unanswered questions formulated in my mind via scripture and needed closure and a way to connect the historical and prophessorial dots. Most of those unknowns were expertly addressed in The Shinar Directive, and it helped me tremendously to fill in the missing, and sometimes hidden, pieces of the scriptural puzzle. I am now better equipped to enter into discussions with fellow believers, and also non-believers, in preparation for world events and where they originated from. Dr. Lake's work is truly amazing, his faith in the Lord solid and his research quite impressive. The Shinar Directive is a must read for any true Christian who wants to also do a self-analysis of the spiritual path they are currently traveling, and to arm themselves against the action plan of Satan.

This volume **MUST** be considered required reading for the true Church of the LORD Jesus Christ! Why? Because it reveals a historical and futuristic paradigm of darkness that has influenced this world since even before the Great Flood in Noah's day. We are clearly in the Last Days, and yet there are many unfulfilled Prophecies in the Holy Bible that are unfolding at an accelerated pace. I have a sizable library of Christian classics, biographies, and theology books (among my other diverse interests), and without equivocation this research has gripped my heart and soul like no other- except for the Scriptures themselves. We are commanded by the Holy Spirit through His servant Paul- 2 Timothy 2:15 "Study to show thyself approved unto GOD, a worker that need not be ashamed, rightly dividing the Word of Truth". The implication is more than just a compartmentalized view of faith, but rather everything in this life, all facets and aspects of human existence through the grid of Scripture and the Cross of Christ. Dr. Michael Lake's book and his distance-learning seminary (<http://www.biblical-life.com/>) are clearly YHVH GOD's vanguard effort to prepare the Bride of Christ for the pervasive darkness that must be confronted- and defeated that the greatest Awakening and Harvest of Souls in the history of mankind may enter Christ's Kingdom... before, during, and after the Antichrist makes his infernal appearance and almost destroys this planet! IF the children of the Kingdom respond, and WE **MUST**- by carefully studying this and other works by

Defender Publishing, we will reap eternal rewards- and frankly IT IS ALL ABOUT SOULS glorifying the LORD Jesus Christ in spirit and in truth!
