Customer Reviews

This was a Christmas gift for my mother-in-law who loves the Great Lakes and especially light houses. We couldn't find a decent one in the stores, so we were pleased to find this one on . The pictures are great and it was well-received.

I have gotten this calendar for the last 5 years, and it is lovely. The photographs are spectacular. As long as it is in print, I will be getting it.

We gave the item as a gift and the recipient couldn't have been happier. She is already requesting the same for next year.

The photography in this calendar is quite striking, all photographs are done very well and it is a definite addition to my kitchen.
