• and most notably, the Courts of Heaven. He has been married to his high school sweetheart, Mary for over 34 years. They have six children and four grandchildren. Together they are enjoying life in beautiful Midlothian, TX.

These are life transforming truths! I am a former pastor. I backslid for many years because I had no idea how to get free from the fleshly and demonic chains that held me captive. Just days into reading this book my life has shifted back into alignment with the Lord of Lords to the degree that I KNOW my future will finally be walked out according to His chosen purpose for me. I can hear the Lord more clearly than ever before, and I truly believe the best for the Body of Christ is yet to come! We must get this message out there! If you are an intercessor, this book will put you in the driver's seat! The teaching about overcoming the evil powers over cities, states and nations will definitely be a game changer. These revelations show us how to usher in the revival and awakening we are soon to see!"To the intent that now the manifold wisdom of God might be made known by the church to the principalities and powers in the heavenly places."Ephesians 3:10Do yourself and your Church a great service. Recommend both of Robert Henderson's books to every Christian you know, especially backsliders. If they are ready for this teaching, they will "go out with joy, and be led forth in peace. As they come, the mountains and hills will burst out into song, and all the trees in the field will clap their hands. Isaiah 55:12

I read book 1 before reading this book. This book is excellent and has practical suggestions and advice and wisdom about unlocking our Destinies and interceding for others to help unlock their destinies.I agree that many people live a life that is unfulfilling and even boring having the sense that they could be doing so much more or making such a difference.I read many books and this is one of the most important books I have ever read.I highly recommend this book.

Immediately picked this up when it was first available. The truths uncovered in Mr. Henderson's book, "Operating in the Courts of Heaven" was life changing. This book continues on in the same manner and expands on your personal book and unlocking your destiny in the Court of Heaven. His knowledge of scripture and how the judicial system of Heaven works is a game changer. Once again, it will be a book that is highly recommended to family, friends and anyone else I can tell.

Wow! I learned I was ineffective praying the wrong way. This book holds amazing information.All my life I have been taught that we needed to go into battle to pray. Mr. Henderson shows how that

information was misdirected. Rather, we need to take our requests before the Great Judge of all, Father God and let Him judge between us and our adversary. There is a huge difference between operating on a battlefield and the courts of Heaven. There is no place in the New Testament where Jesus taught on prayer that He talked about a battlefield, but He placed prayer in the court of Heaven. We don't need to fight and exhaust ourselves in prayer. In Luke 18, the woman before the unjust judge only spoke to the judge. And, how much more will our Heavenly Father, who loves us, give us what we need. He will give us bread when we ask, instead of a stone... well, you know the rest of that scripture. In the past I purchased every book I could find on prayer, and tried all the approaches. I had some small successes, but not what I needed and hoped for. I HIGHLY recommend this book! I discovered why my prayers have not been answered. I am now going through the book again, chapter by chapter and making notes to better understand how to 'approach the throne of grace and find help in time of need.' If you are not getting your prayers answered, you need this book. It will teach you to take off the battle garments and learn how to get your family restored and drawn to the Lord, after you rightly approach our Great and Awesome Judge, allowing Him to rule on your behalf. Since operating in the protocol of the court and not performing in battle mentality, I have already seen some amazing answers. Please don't get me wrong, putting on the full armor of God and standing in faith definitely is vital to our spiritual walk. But if we look at that scripture, we are to dress for battle, then to stand. Battlefield activity has no place in the courtroom. But understanding the protocol of the Court of Heaven is absolutely vital. I am so excited to see what the Lord will do with my family. If I had known before I got this book how informative and instructional it was, I would have willingly paid so much more for it. It is that amazing. You will benefit greatly by getting this book.

The information is very good and enlightening. It's Good !
