The Lives Of Adam And Eve: Christian Apocrypha Series

Synopsis

The Lives of Adam and Eve belongs to a class of Apocrypha that could be described as books written, or claimed to have been written, before the time of Christ, as part of the Old Testament, and which frequently contain prophecies. Jewish legends about Adam were numerous and very old, and the Jewish literary custom of writing ethical works in the form of a survey of history was well established. This text chronicles events in the life of the couple, following their expulsion from the Garden of Eden until the death of both of them, 930 years later.
