When You Find Out The World Is Against You: And Other Funny Memories About Awful Moments

Synopsis

The famed Internet personality - named one of Rolling Stone's Funniest People on Twitter and creator of the viral #notokay for women to share their stories of sexual assault - and best-selling author of *Everything Is Perfect When You're a Liar* turns her laser-like wit to anxiety, parenthood (or "the sheer insanity of being in charge of the safety and livelihood of three people besides myself"), popular culture, and more in this razor sharp essay collection. Like Chelsea Handler, David Sedaris, Dave Barry, and Patton Oswalt, Kelly Oxford - the Canadian native and Los Angeles transplant - has won legions of fans with her comedic skill, down-to-earth voice, and bull's-eye observations on the absurdity of modern life. For example: "Congratulations, America, I finally get a green card & now I may have to move back to Canada. Trump in the final two for president. Surreal." "Dear parents of preteen boys, tell them they'll get ED by 18 if they watch Internet porn, then buy them some porno mags. Thank you, Women." "I'm not going to have a coffee this morning, with the intent of blaming all my screw-ups on the missed coffee." "1 good piece of news today: 7yo told me there is a secret war going on between muffins and cupcakes & I haven't stopped thinking about it." Dishing about her kids, her move to America (and what she really thinks about life in LA), her marriage, and how she copes (or not) with anxiety and depression, *When You Find out the World Is Against You* is Kelly at her honest and most disarmingly funny best. Filled with biting, wise, and laugh-out-loud insights, this vastly entertaining collection of vignettes will make you think as much as it will make you laugh.

Customer Reviews

An honest, "Silly description" of everyone and everything, turned too real. The book is engaging and fun as its relatable in maybe too many ways. Thank you Kelly! Oprah should be proud. #stillnotokay

Loved this book as much as the first. If you enjoy her on twitter then both of her books are must reads.

Great book! Read it in one day sitting by the lake. I laughed, I cried! Kelly is freaking awesome.

I can totally relate to your stories. Thank you for helping me feel less crazy. Your last chapter was the best.

Laugh out loud funny, read-selections aloud to my family; heartfelt, relatable, real, honest, hilarious, all the range of emotions.

not as good as her first book

I

Loved it and I love Kelly Oxford
