Customer Reviews

Bought it as a gift for an expectant mother because I had gotten it for my baby when she was born. To this day 26 years later I still remember the words to most all of the songs. It had such an impact on me as well as my 2 children. I recommend it for everyone with newborns and also recommend they keep it to pass on. My kids listened to it into their elementary school years. Worth every penny

Had it for my kids, got it for my granddaughter. Beautiful lullabyes

This music is wonderful for babies yet unborn. Listening to it during the period prior to the baby's birth is calming and it is something our baby turns towards and smiles. Her granddaddy soothed her as he sang it softly to her while her mommy was trying to shop at a local consumer club.

This CD is by far the best night time music for any child from newborn and up. The music is so soothing and doesn't get old no matter how many times you hear it, as a matter of fact the more you hear it the more it grows on you. We actually wore out a cassette of the same title after two years use, and searched online for the CD.

Beautiful! I used this with my own children and buy it as gifts for my friends when they have babies.

Someone gave me this CD 14 years ago when my son was born. Now I give it to every new baby I know. Beautiful soft music with meaningful lyrics.

Product recommended to parents of newborns to create a warm, safe, nurturing environment of soothing, rocking chair lullabye music which will promote bonding.

My 20 year old daughter grew up listening to these Lullabies - And can STILL remember some of the lyrics...Searched all over town looking for a copy to give a new set of parents - only to find them here! Thanks !
