## Customer Reviews

This is probably my 4th year buying this calendar. I've loved it all the other times but I have some complaints this year. My major problem is that the numbers are red instead of black as in previous years. I can barely see the dates unless I'm right on top of it. Other changes are the months and days are now in 4 languages now instead of just English and French. The paper stock seems flimsier this year also. Unless they go back to the old style I won't buy this calendar again.

It was for a gift and arrived quickly! Very colorful vintage with vintage pictures.
