Customer Reviews

Mary Kate McDevitt, a letterer and illustrator based in Philadelphia, finds inspiration in making up motivational phrases for herself. She hand-lettered the very phrases that she used to inspire herself to start an online shop, promote her work, and get stuff done. She is the author of Hand-Lettering Ledger.

It's fun for me as I love coffee. Some months have cuter pictures than others. May's picture is kind of boring, but others are really cute.

Perfect kitchen calendar for coffee lovers.

I love the Monthly Word Pictures - they fit in perfectly at the office.

Great Wall calendar. Small in size and fits perfectly.
