Dr. Blake Gillette graduated from the University of Utah and then attended the Ohio State University for medical school. After graduation, he completed an orthopedic surgery residency at the Mayo Clinic and trained with world-renowned experts and published multiple articles in joint replacement surgery and sports medicine. He completed an additional year of specialized training in sports medicine and arthroscopy at the Southern California Orthopedic Institute and has published textbook chapters focusing on the shoulder. Dr. Gillette is currently an orthopedic surgeon in Spanish Fork, UT and writes music on the side. --This text refers to the CD-ROM edition.

I could not be happier with this CD. I am amazed at the mash up of songs! This is by far one of the best church cds I have ever owned. We listen to it every day! I wish there were more songs like this!

Beautiful music! The only thing I wish is that the CD came in it's own case with a notation of the performers.

I love the songs. I was brought to tears by a couple of the songs. It's fun to hear new songs mixed

with classics and songs you've heard forever with a new twist as it's mixed with a song you never combined it with before. The piano part is easy enough for a person with intermediate skills to sit down and play and yet sound good. A must for every primary!

One of the best display of Primary songs ever! I listened to every song on the CD. The creator does a great job mashing old songs with new. The primary is singing, "I Will Be What I Believe" and loves it!
