The Harp Of God: Proof Conclusive That Millions Now Living Will Never Die (Illustrated)

Synopsis

This 1921 book published by the International Bible Students (later changing names to Jehovah's Witnesses) describes itself as "a textbook for beginners in Bible study. ...The subject matter is arranged progressively and orderly. A list of questions follows each point discussed, thus enabling the teacher to direct the mind of the student to the subject under consideration. The numeral following each question refers to the paragraph of the text where the answer may be found, each paragraph being numbered to correspond." This Kindle edition includes all of the woodcut illustrations, and is cross-linked for easy navigation.

Customer Reviews

Great Price & Quick Shipping. Highly Recommend. A+++++++

Religious non fiction. Very interesting and thought provoking

Surely I will recomend this seller. Item was shiped on time and I received exactly what I bargained for.

Written by J.F. Rutherford of Watchtower and is a good example of their use of mind control and manipulation

Awesome basic Bible instructional book for basic Bible study for those who unfamiliar with the Bible's basic teachings and this it serves as a great introduction to the Scriptures.

So glad to be able to get my hands on this book. Great in explaining the rebirth process for those in which it applies to; how it happens and what it means and exactly what changes. Great condition and cheap.

A great addition to anyone's JW library

this book has alot of information in it on the bible, so it helped me to understand the bible better....an excellant read.
