Customer Reviews

Saints have typically been figures from the distant past, canonized for miraculous lives of perfection and self-denial. Orbis editor-in-chief Ellsberg here redefines this stereotype in this diverse and substantial compendium of the lives of men and women, ancient and contemporary, who gave themselves completely to their vocations. Well-known saints, apostles, and martyrs take their place beside lesser-known figures (the woman with a flow of blood who touched Jesus' hem), theologians and philosophers (e.g., Martin Buber, Simone Weil, Kierkegaard), artists (Van Gogh, Mozart, J.S. Bach), literary figures (Dante, Tolstoy), social reformers (Gandhi, Schweitzer), and numerous others who do not fit into neat categories. A different figure is introduced for each day of the year to coincide with feast days or birth/death dates, and helpful biographical sources are provided. A national bestseller, this comprehensive and inspiring treasury combines traditional saints with other spiritual giants whose lives speak to the meaning of holiness for our time.

Being an Antitheist I was a bit perplexed by the book. Yet, I believe from a purely information

standpoint the book has great value.

If you are interested in church history, this book is for you. It tells of people who have stood for the Christian faith at any cost.

This is a tremendous book with excellent resources .

Great stories on the Saints, only 1 page long, quick read.

ALL Saints is a great take on holy persons ... some canonized and other not, some Catholic and others catholic ... all are worthy choices for this book. I am reading one a day.

My brother showed me his copy and I thought it would be an encouraging daily read for me. Though it is a bit more Catholic than anything I've ever read in the past, it is nevertheless deeply spiritual with themes universal to anyone desiring to follow Christ faithfully.

This book has been a wonderful spiritual companion to me since I discovered it in 2001. It's wonderful to have a kindle edition but I am disappointed that you can't jump to an entry from the contents page, with such a large book it's a big omission.

Great book to learn about Saints. Not all persons in the book are actual canonized Saints, but their lives show us how we could all live more holy lives. Robert Ellsberg provides us with great array of individuals that could open our eyes to a greater appreciation of our Lord and Savior.
