Customer Reviews

Many years ago, I used Learn in Your Car Spanish as a great tool to give me confidence in expressing myself in Spanish. So when I became an ESL tutor, I purchased Aprenda En Su Auto Ingles for my Spanish speaking student. She loves the CD's, and it has given her much more confidence as well as advancing her knowledge and pronunciation of the English language. She listens to the CD's while commuting to work. There is a small booklet containing all of the lessons for those who are visual learners. I highly recommend this series. Nivel Dos begins with the past tense. Levels One and Two contain common phrases needed in everyday communication. With 3 CD's, it is a very good value for the money.
