Tom Sawyer, Detective

Synopsis

This 1896 novel follows the Mark Twain series of *The Adventures of Tom Sawyer* (1876), *Adventures of Huckleberry Finn* (1884), and *Tom Sawyer Abroad* (1894). Tom finds himself on another exciting adventure as he serves as detective for a mysterious murder in the banks of the Mississippi. Listen to this suspenseful, yet whimsical story of Tom and Huckleberry and be fascinated once again with Mark Twain's imagination.Â

Customer Reviews

Filled with the folk humor and storytelling charm that have made Tom and Huck so popular for so many decades. -- Audiobook News Service, Spring-Summer 2005 --This text refers to an out of print or unavailable edition of this title.

This edition is printed in specially-designed large type for easier reading, and is printed on non-glare paper. --This text refers to an out of print or unavailable edition of this title.

It's a year or two after Tom Sawyer and Huck Finn's big adventure rafting down the Mississippi in the *Adventures of Huckleberry Finn*. This is a short novel about Huck and Tom going to visit Tom's aunt and uncle. Tom's uncle has been accused of a murder, but Tom is on the case to find the real killer. The plot of this little book reminds me a lot of *Puddin'head Wilson*. It's a fun little book, but not

anywhere in the league of The Adventures of Tom Sawyer, or The Adventures of Huckleberry Finn.

This is more or less just an extension of Huckleberry Finn with Huck and Tom involved in a murder case at Tom's Aunt Sally's place in Arkansas. Mark Twain penned this novella about ten years later but its setting is only a year or two after they break Jim out at Aunt Sally's. This is a children's edition so I shouldn't have been too surprised certain offensive words beginning with 'N' are changed to 'Negroe'. I suppose this is better than one well intentioned publisher who raised a storm of controversy a couple years ago by changing the offending word in a new edition of Huckleberry Finn to 'slave'. But the word was considered normal in Twain's day and the terrible scourge of slavery won't be undone by editing classic literature. This is a fun little story, told from Huck's perspective and certainly appropriate for young and old alike, even with (or perhaps because of?) the editing

Read multiple reviews that listed the best home school reading sets for children. In the top five book sets are the Companion Library set, My Bookhouse, Childrens Hour, and Journeys Through Book Land. This was my son's second long story to read cover to cover. It really helped him develop a love for reading which is my goal.

I am a old man and have been a fan of Tom Sawyer and Huck Finn since I was a teenager. I have read and enjoyed other Twain books but Tom and Huck have always been my favorites and I have laughed many times while reading of their adventures. This was my first time reading Tom Sawyer detective and it was good to follow these two characters a little further in their lives. It was a good and fast read, I recommend it to any Tom and Huck fans.

Tom's growing up. Still looking out for his own self interest, but now concerned about others, too. Really liked this the best, but I won't give it away.

Great item, easy to buy, fast delivery... good price, not many shekels... :D

This book is the better sequel to the adventures of Huckleberry Finn and The Adventures of Tom Sawyer. In this book we see Huck and Tom revisiting Uncle Silas. Now Jim stays at home, which is for the better. In Abroad, he and Tom argued too much, it was funny at first but got tiring. That is not to say this book is perfect but better. I breezed through this book, and the majority of it seemed rather boring and unimportant, but it is the last chapter that makes all this reading worth it. Like all

the other books, the ending is really weak. This book good, I recommend reading this over Abroad. This is the last fully published book of Tom Sawyer and Huckleberry Finn, and it is a very fitting end for very unforgettable characters.

Fine Twain novella with nearly a dozen illustrations provided (yes, one of a steamboat included naturally!) A very good choice in an otherwise limited market if one is only wanting this book in particular. Well done!
