Customer Reviews

"I love the illustrations and I'm sure my youngest grand-baby will enjoy reading it with me. The colors are very vibrant and there were even a couple of vegetables I'd never heard of before. A nice short book that will teach the basic colors and fruits and vegetables."-----
-----"An easy way to show children different colors and how they appear as fruits and vegetables. This is great for normalizing all these delicious and healthy options so that kids can relate to their food when you serve it to them
