Ephesians: Our Immeasurable Blessings In Christ (MacArthur Bible Studies)

Synopsis

Though attempting to live a transformed life by the power of the Holy Spirit, the church in Ephesus was immersed in an evil culture and surrounded by sin and pagan ways. Discouraged believers needed a reminder of God's grace and love, of the blessings they had in Jesus Christ, and of their commitment to holiness. Written by the apostle Paul as a letter of encouragement and admonition, Ephesians gives a refresher course in New Testament doctrine and provides a practical blueprint for Christian behavior. Through this letter, Paul shows us our continual need for God's help and demonstrates that everything good we enjoy is an expression of His great love. The MacArthur Bible Studies provide intriguing examinations of the whole of Scripture. Each guide incorporates extensive commentary, detailed observations on overriding themes, and probing questions to help you study the Word of God with guidance from John MacArthur.

John MacArthur has served as the pastor-teacher of Grace Community Church in Sun Valley, California, since 1969. His ministry of expository preaching is unparalleled in its breadth and influence. In more than four decades of ministry from the same pulpit, he has preached verse by verse through the entire New Testament (and several key sections of the Old Testament). He is president of the Master's University and Seminary and can be heard daily on the Grace to You radio broadcast (carried on hundreds of radio stations worldwide). He has authored a number of bestselling books, including *Twelve Ordinary Men*, and *One Perfect Life*. For more details about

This an amazing book with background into biblical life style and the gospel. The book draws parallel between spreading the gospels and hardships we face in modern time. I have never felt so in touch with the Bible teachings like this book provided. This book lead me to study the Bible deeper and cross reference passages. The questions asked are thought provoking and spiritual as well

This is one of the best Ephesians studies I have found. I had such a better understanding of election after this study. I rejoiced for days! We truly do have a great and awesome God!

The Kindle version has a different format than the book, so during Bible Study we are always at a loss as to what section our small group is discussing. I wouldn't recommend the Kindle version unless you are doing your own individual study of Ephesians.

MacArthur is always good. These studies appear to be designed for those who are still being fed the milk of the Word... You'll find that there is little requirement for critical thinking here.

Better than I expected, but everything I have by John MacArthur is excellent!

Warning- the kindle edition and print edition are different. I purchased this for kindle but when I was at bible study my book didn't match the paperback others had. They are similar but it has been difficult in some chapters to follow along as the ebook version hasn't been updated to reflect revisions to the most recent print copy.

Of course the book of Ephesians a wonderful study, but this guide by MacArthur is not

very good
