Customer Reviews

Contains 365 different cross stitch patterns. Cross-Stitch Pattern a Day: 2010 Day-to-Day Calendar

I love this product and have purchased several past issues but missed 2008, though :(. The designs are simple to stitch and the finished pieces are very effective. The patterns are on small single pages so I don't have to cart around a heavy book or large pattern; easy to tuck my current project into my purse. I have used them for cards, trivets and coasters as well as small framed designs. I plan to order the 2011 calendar this fall so I won't miss out again.

Beautiful product and fast shipping.

If you like to cross-stitch on easy, quick projects this is the calendar for you! Great colors, lots of patterns (one for every day of the year except weekends), very easy, simple instructions, and a lot

of fun to sew for something you'd like to make in less than a day! I will definitely purchase one every year!

I have been collecting these calenders for several years now; they make great gifts and also have the perfect patterns for every occasion.

I received excellent service when I ordered the crossstitch calendar. It came very quickly and was in great shape also.

i have already picked out the patterns that i want to do for christmas presents. i enjoy the diffrent patterns for everyday.

I'm an avid cross-stitcher and I've already purchased Cross-Stitch Pattern a Day since year 2000. I've already done some of it's patterns but unfortunately, I find some of its patterns very "elementary" or too ordinary. However, there are also patterns which are really pretty and I made some as gifts. I suggest that they should also include quotes or bible-verses in their patterns OR they should have a theme every month like Some Things from the Kitchen for the whole month of December or Flowers of Spring for the whole month of March or April. The price is way much cheaper from [...], too. But all in all ... Cross-stitch Pattern a Day is a must have for cross-stitchers like me.
