Last year I discovered Edyta Sitar's 2012 calendar at a quilt show. It was awesome. The 2013 calendar is the same high quality. Her color selections and designs are beautiful and inspiring. One of the qualities I especially enjoy is the combination of batik and print fabrics that bring a high quality, yet warm and cozy feeling to her quilts. I could wrap up in one of them. I love to examine each quilt in detail. The instructions for the quilts are available in her book. Information about her book is included in the calendar. I purchased last years book and will likely purchase this year's as well. She makes complex quilts seem easy with well written and clear instructions. I have had other quilting calendars, but Edyta Sitar's calendar is my favorite.

Wall calendar with beautiful quilt pictures. Nice large spaces for writing birthdays, appointments, etc. Would have given this calendar 5 stars if directions for the calendar quilts had been included, rather

than a reference to Edyta Sitar's book in which you could find quilt patterns.

Love the Calendar...have purchased the companion book and have already started a project. Its inspiring and have set a goal to complete at least one project a month. I track all my projects on my yearly calendars, that way I don't lose track of a project. I also keep notes that might come in handy with future projects.

I use this calendar just for the pictures. I keep appointments on another calendar in the kitchen, but I love the beautiful photos. It inspires me as a quilter. I like the size and it fits in my calendar frame.

I love Edyta's calendar. I enjoy looking at her designs and marking off the days I spend making quilts. She never disappoints.

I love this designer and the calendar prompted me to buy the book that the quilts pictured are based on. Her stuff is spectacular.

Just what I expected from Edyta Sitar. Fabulous patterns and great instructions! Love Edyta Sitar's patterns and would definitely recommend.

Calendars - what can you say about them? They keep you aware of the date of the day, the month and the year. They have space to keep track of your schedule. They have pretty pictures above the month. This calendar is sized at 12" x 12" with a miniature calendar of the month before and after. While the pictures of the quilts are pretty, there are no patterns for even one of the quilts shown in any of the 12 months. If you are looking to just keep organized with quilt pictures, then this will fit the bill.
