10 Bed-Time Stories In French And English [French Edition]

Synopsis

Bilingual Short Stories in French and English for Young Listeners Introduce your children to the joys of reading while helping them improve their French and English proficiency at the same time. This book is perfect for kids between ages eight and 12 and is designed to boost language skills, enhance the imagination, and pave the way for a life-long love of reading. 10 Fun and Engaging Stories Featuring a wide array of enjoyable themes, parents can rest assured that the material in this book is highly suitable for children. Written in Parallel Text to Boost Comprehension Each paragraph is in both French and English - first in French, followed by its English equivalent. You can also listen to the stories in French only or in English only, which is perfect for bilingual children, whether native French or English speakers! Free Audio to Improve Listening Skills The stories are recorded in two ways, with an English version narrated by a native English speaker, and a French version narrated by a native French speaker. The audio is designed as a perfect supplement to help listeners learn the correct pronunciations and improve their listening skills in an enjoyable manner. Not Just for Children - It's Great for Adults, Too! This book is suitable for children, but adults can also enjoy it. Whether you are looking to improve your French (or English) with a fun method or you are simply in it for the joy of listening to a short story, this book is great for adults. Grab your copy now!
