Customer Reviews

I have no complaints about the paintbook -- lots of pictures of my grand daughter's favorite characters - but - she painted one time and the paints are so shallow in the little pots that they are gone in no time. Can't they make the paint pots a little deeper? After all - they're only water paints.....

Perfect for what we wanted! Arrived in excellent, new condition and fast shipping! Thank you!

When you remove the watercolors from book it tears the cover of book. The book has a lot of pictures but is only enough paint to do a fraction. But.. There aren't many Bubble Guppy products.. Kids loved it -that's all that matters

Kids love the pics

the coloring book is nice, but i dont like that there was no cover for the paints, so when you are done there was nothing to keep the paint brush with it.

I was happy to find Bubble Guppies toys of any kind. This is cute and the price is right. The order came in about 2 days and was exactly as described.

My Grandson, age 21/2 LOVES Bubble Guppies! I was so happy when I was finally able to get him a B.G. ANYTHING! We got him this for Valenines Day and it was a hit!

my daughter loves this show and loves this paint book. the book is great quality paper and she loves the images
