# Your Best Year 2017: Productivity Workbook And Creative Business Planner

## Synopsis

Your Best Year 2017 is a productivity workbook and online business planner. It's written for creative entrepreneurs by a creative entrepreneur, and no better resource exists to help you make the most of your business year. Use the dozens of worksheets and strategies within to make your most ambitious goals come true in 2017 and beyond. This annual edition unveils a new planning system that will create space and opportunity for the action, connection, and abundance you've been craving online. Stop the daily scramble for sales once and for all. It's time to create maximum results. Here's to your best year yet.

## Customer Reviews

This is my first year using this workbook. I'm not completely through with it yet, but it has already helped me streamline everything from my personal goals to business goals. This workbook helps you visually see your goals, then break them down into bite-size steps. I will definitely be using this workbook next year also!

If you want to up your game, hold yourself accountable, and play at a higher level than you did last year, get this book (whatever year it happens to be)!!!! I am not an online sales person, and I have still found it to be wildly helpful for me in setting and accomplishing goals. Very well done, Ms. Jacobs ;)

I love it so far! It is really helping me set high goals for my career as an artist and get organized for this year!

This book really helps me take control of my online business and keeps me on track! I will continue to buy in the future! Lisa Jacobs did a wonderful job creating this workbook! It is essential to every online business owner!

Great workbook. Fast Shipping.

I like this years workbook better. There's no weekly layout and I really needed that but overall I still like it

I love this workbook! I used it to "jump start" before the new year and it's been extremely useful in helping me set both personal and professional goals.

YBY makes you take a realistic look at what you're doing and how you can change to be more productive.
