## **Customer Reviews**

I buy these every year for my 90 year old parents and they really like the mental challenge. Some of the days are a challenge; some are inexplicable; some are really funny. I started getting one for myself. It's a great gift.

The majority of these "puzzles" have most, if not ALL, of the words literally spelled out and there is nothing to figure out. Also, a lot of the phrases are not what you would call common.

This is a great calendar. My colleagues love to come see me at my desk and figure out the day's frame game. It's a lot of fun even if we don't always guess correctly.

We LOVE Frame Games - and look forward to solving a new one each day. This was a Christmas gift and it was a huge hit!

Some of the puzzles are very challenging

Hard to find this in stores. This is our second year of testing our brains each morning in a fun way!

I ordered this every year for us at Christmas. We enjoy it every day. It's a gift that lasts the whole year!

Love this calendar. I work in a school and the kids come in just to check the daily frame game.
