Moving and informative- for those who've always wondered about St Joseph as husband, father, carpenter. Also provides wondrous insight into our Blessed Mother. I didn't know that St Joseph had chosen lifelong chastity as a young man.

This book leads you into a deeper understanding of St Joseph, the Holy Family, and the Life of Christ.

Beautiful book on the life of St. Joseph

A Story for everyone's Soul! I am so happy I read it. I am on my second time around. Nourishing for the mind! heart and soul.

The Life of Saint Joseph as manifested by Our Lord Jesus Christ is a very beautiful Book. It reflects and shows the beauty and Holiness of Saint Joseph and The Holy Family. It is, without a doubt, one

of the best Books I have been Blessed enough to obtain and read. I recommend It highly!

This book is available new and reasonably priced. Desirability of content depends on personal preferences in spirituality. It is a classical resource on St. Joseph.

I expected this book would be filled with important information about Saint Joseph, and I was right. For once, a book largely lived up to its hype. Thank you, Maria Cecilia Baij. Mike MacCarthy
