LULU DELACRE is the illustrator of numerous award-winning books, several of which she also wrote or compiled. Her books range from picture books to chapter books to YA novels. Delacre has been creating books since 1980 and has produced more than thirty-five titles. Born and raised in Puerto Rico, Delacre's Latino heritage informs many of her works. A three-time Pura Belpre Award honoree, she was also honored in 1998 as Maryland Woman in the Arts and was a juror for the 2003 National Book Awards. Delacre and her husband live in Silver Spring, Maryland.

Georgina Lazaro is a master in the art of writing children's books. As an added value, in this book she captures a tiny but magnificent aspect of Puerto Rican culture: the flamboyant tree. I also have her "El Mejor es Mi Papa", "Ya Llegaron los Reyes Magos" and "Mi Gorrita", which are also great for

children.

El Flamboyán Amarillo. This was a gift purchased to give to my husband for fathers' day. He is a lover of "flamboyans" and a lover of poetry, so our child and I thought it was perfect! A wonderful book.
