Willmington's Bible Handbook

Synopsis

Willmington's Bible Handbook gives a verse-by-verse commentary of each book of the Bible and is written with both new believers and seasoned students of the Bible in mind. This special Bible handbook also includes many special features that provide fresh, new insights into the most inspirational book ever written. Special Features Focus on the unity of the Bible shows how each part of the Bible relates to the whole. "How We Got the Bible" • explains how 40 authors over 2,000 years spoke the same saving message. Emphasis on the historical accuracy of the Bible explores how thousands of archeological discoveries verify Scripture. "People to Remember" • brings the stories of Bible people to life. Lists and background material give an overview of Scripture through comprehensive, comparative lists and charts. Indexes to topics, Scripture references, Bible people, maps, charts, Harmony of the Gospels, Chronology of Bible events. . . And more!

This Willmington Handbook came highly recommended to me by a pastor. I was trying to find further information about people, places, customs, etc of the ancient biblical times. It does enrich the reading/studying experience for me as I prepare my own personal studies and also for the Sunday School class that I teach. It is very handy and is a good book that I will be referring to often.

Very well organized. The outlines are done well. You have in the back: Archaeology and the Bible, Charts, Nations and Politics of the Bible; The Savior, Bible Backgrounds, Lists, and Study Helps, etc. I do recommend this book for general knowledge and as a guideline while reading through the Bible. I have one other book that is as well done and that is "Unger's Bible Handbook."dwdraw2

Great book!

Excellent. Informative. Very helpful with Bible studies. Insightful. Enhances understanding. Comparisons with other Bible passages & books of the Bible. Plus maps, charts, lists, backgrounds, outlines, purpose of the books in addition to So much information to enlighten the reader.

It is a good reference book, just wish the print was not as small as it is.

This book has everything you need to help you prepare for ministry. A fabulous resource to use long with your Bible as you study for Sunday Sermons, Speaking Engagements, or simply individual learning. You need no other resource it cuts to the chase from having to thumb through 3-6 other commentaries or other Biblical resources. Thanks Willmington, great job!

For years I have used Halley's Bible Handbook which in its own right is an excellent study tool, however, I believe Dr. Harold Willmington's work is more complete. It is an invaluable tool in daily bible study for both pastors and laymen.

The Willmington's Bible Handbook is a great source for Bible Study. It gives you background information about the writers, purpose for each chapter, and an outline of the chapter to guide you through. It helped me to answer questions on my Biblical Studies exam. Wonderful book!
