The Sermons Of John Wesley: A Collection For The Christian Journey

Synopsis

A new and engaging collection of sermons that embraces the historic 44 sermons that John Wesley approved, plus the 8 more of the North American collection (52 sermons) and to this is added 8 sermons, carefully chosen, to fill things out for contemporary interests resulting in a grand total of sixty sermons. Each sermon (which employs the text from the Bicentennial edition of Wesley's works) is preceded by a brief introduction and an outline. The sermons are arranged in accordance with the order of salvation displayed in the key sermon, "The Scripture Way of Salvation," from creation to the fall through justification and every step along the way culminating in the new creation. The purpose of this collection is to foster vital Christian formation for all of its readers.

"Never before have Wesley's sermons been ordered in the proper way for doctrinal study. The editors have provided a great service to students of John Wesley by presenting the sermons in their logical sequence according to the order of salvation. An illuminating analysis of why the standard sermons are enumerated differently in various traditions. Among Wesley scholars, Kenneth Collins is one of the best." Thomas C. Oden author of *Classic Christianity: A Systematic Theology*.

Kenneth J. Collins is Professor of Historical Theology and Wesley Studies at Asbury Theological Seminary in Wilmore Kentucky, and an elder in the Kentucky Conference of The United Methodist

Church. He also teaches at the Baltic Methodist Theological Seminary in Estonia, and is a member of the Wesleyan Theological Society, and The Wesley Historical Society. He is the author of *The Theology of John Wesley: Holy Love and the Shape of Grace*, *A Real Christian: The Life of John Wesley*, *The Scripture Way of Salvation: The Heart of John Wesley's Theology*, co-editor of *Conversion in the Wesleyan Tradition*, and *John Wesley: A Theological Journey*.

extremely useful and great quality

I read these sermons as part of a class I took from Dr. Collins at Asbury Theological Seminary. The sermon outlines he provides are framed in such a way that I am able to use part if not all of Wesley's sermons in my own sermon prep. Moreover, being a pastor in the UMC, it is good to reclaim the legacy of Wesley in the midst of all much of the non-theological noise that is currently shaping our faith.

It would be really difficult to imagine a better collection of Wesley sermons. Great for scholarship purposes or devotional purposes. Certainly worth the purchase, and the introductions before each sermon are very helpful!

Collins has collected the best of the John Wesley sermons into one large volume. I saved money but putting it on my Kindle so have also eased the bulk. The sermons have an outline and then are filled in with his thoughts and Bible verses making it a very good study book.

Great read!! This book will take you deeper in your faith.

An excellent edition of the Standard Sermons. Professor Collins has wonderfully repackaged an old treasure for all who love Wesley!

Buy the book...or the ebook. Read it. Study it. Marvel in it! You can never learn too much about our faith.

I purchased this book for a class but I will keep it on my shelf for quick reference. It explains the sermons of John Wesley in a clear, comprehensive and concise manner. I am glad I have this book.
