Synopsis

This generation wants to know what true worship is and how they can best experience it. Customer Reviews

For the men of MercyMe, worshipping the Lord and leading others in His praise is very much a life-long calling. That commitment has guided the band through the creation of six independent projects (which have amassed total sales of 100,000 units) and led them to sign on as one of the flagship artists of INO Records. Jeff Kinley has been fighting zombies for more than thirty years in ministry. Pastor, speaker (MainThingMinistries.Com), author of more than a dozen books, and missionary to his neighborhood's "Next Generation Tribe" (VintageNxt.Com), Jeff finds every way possible to communicate Christ's grace. Jeff lives in a 1923 cottage with his wife, three sons, and Mac the Labradoodle. Jeff is a graduate of the University of Arkansas (B.A.) and Dallas Theological Seminary (ThM).

I LOVE THIS SONG....I can only imagine what it will be like, when I walk by Your side...I can only imagine, what my eyes will see, when Your Face is before me! I can only imagine. I can only imagine. Surrounded by Your Glory, what will my heart feel? Will I dance for you, Jesus? Or in awe of

You, be still? Will I stand in Your presence, or to my knees will I fall? Will I sing 'Hallelujah!'? Will I be able to speak at all? I can only imagine! I can only imagine! I can only imagine, when that day comes, when I find myself standing in the Son! I can only imagine, when all I will do, is forever, forever worship You! I can only imagine! I can only imagine!

Warmed my heart!!!

Love it

Love this so much. I have had a copy for years and 2 of my co-workers had lost loved ones recently and I bought this copy for 1 of them.

A wonderful book and great for anyone who has lost someone they love. I can listen to the music over and over. I highly recommend this as a gift instead of a card.

Never received the item. Did receive a refund credited to my PayPal account with the only explanation that it had become "unavailable" shortly after my order was placed. I have been fortunate enough to have a friend who shared her copy with me and I thoroughly enjoyed it. Will probably attempt to order again through .com but not from the same seller.

This song was a giant hit when my Mother moved to Heaven. I was in Georgia helping to usher her to Heaven and I had not heard this song yet all the way through. The Friday night before Mother's day, when my Mom moved to her permanent home, Heaven, this song was playing on the radio when my dear friends were bringing me home to their house, instead of staying at my childhood home that was now empty. God let me know that night, He welcomed my Mom to heaven and she now knows what I can only imagine Heaven to be like. Can't wait Mom, see you soon. It will be a fantastic day when I get to where I'm going...i can only imagine...

This was a really great song and I think that it is a really pretty song and the message is beautiful. This song is really pretty easy to learn because of the message.
