I love this book. Very well layed out. All the information was helpful. I gained new insight into my Catholic faith that I never new was there.

bought this for a student

Excellent source for young adults and adults to review their moral compasses. Examine the direction in life and when and how decissions are made in relation to a "Life in Christ". Very good reference book or textbook.

Very grateful! thank you.

Very well thought out and cogent. Hardback is well constructed. Photos thoughtful. Terse yet deep. Highly recommended to anyone wanting a distinctively Catholic view of moral theology.
