# The Darkest Day: Victor The Assassin, Book 5

## **Synopsis**

While carrying out a hit on a terrorist financier, Victor finds himself the target of an assassin who proves to be just as deadly as he is. Never one to let such a thing go, Victor sets about hunting down his attacker and those who sent her. She is Raven - a freelance assassin with a dark past and hidden agenda. If Victor wants to stay alive, he must find out who Raven really is and what she is truly after. Does she really want him dead, or does someone else want them to kill each other? With the stakes growing higher by the minute - as a city-wide blackout plunges Manhattan into darkness - Victor and Raven must decide who is friend and who is foe before a deadly terrorist plot threatens to consume the city and them along with it.

Espionage #3386 in Books > Mystery, Thriller & Suspense > Thrillers & Suspense > Crime

## **Customer Reviews**

A major major disappointment .....I have read all the books in the series..... it is like the author decided to make the book 2 times as long by having nothing but long boring tedious car chases one after the other .....perhaps on film it would be interesting but in the book it mind numbing..... I cannot imagine anyone enjoying a 25 page description of a car chase when you know at the end of Victor will get away.... what should have taken maybe 2 to 3 pages the author takes 15 to 25 pages to say, on many occasions.... it is getting very very annoying and it feels as if the author is trying to toy with the reader by writing 400 page books that in actuality have about 50 pages of plot and all the rest horrifically boring and very predictable chase scenes. I notice this trend in previous books in the series but it has now gotten out of hand and I will give the author one more chance with the next

book but if it continues I will no longer read the series

Have been a huge Victor fan since the first book. This one, unfortunately, is the least interesting. Far too many pages are devoted to verbalizing Furious 7 car chase scenes. Gets boring quickly. Victor is also partnered with a femme fatale and he makes errors that he never made in the otherbooks. Victor is one of the best characters in the genre and hopefully Wood will get him back to where he belongs. On top of his game.

All thriller authors should read the books in this series before they write another thriller. This author is the gold standard for espionage details. Thus the plot is believable. I would put Victor up against any other assassin in any other novel. Cannot wait for the next one.

Love the addition of Victor's counterpoint and new adversary, a female assassin named Raven. the writing is improving as well

Where's the time, however, I think it is time for Victor to get a partner, or at least to have a satisfying sensual and sexual relationship with someone he truly likes. Long overdueÃ¢Â|

This adventure had a little different tone than the other novels, probably due to being in the USA, and there was less action throughout, but more investigation type suspense. However there was enough moments of intense action, that is painstakingly described so as to understand the true expertise and thinking of the character, as well as his usual wit in conversation as well as a classic Victor ending.

80 percent chase scenes, 20 percent story. Very disappointing Tom Wood novel. I skipped offer one half of the book looking to read the story. Unless you are a chase scene fan, I would not recommend this book.

Another of the Victor series, maybe his best yet. I could read this series forever! Can't wait for the next, no doubt with Raven in it.
