Customer Reviews

I was eager to read this as I heard of it from a tv Show. I am so happy to have found it translated in a language I can read and understand. I heard so much about "Khadijah" but after reading this book (which I just finished) I learned that the so much I thought I knew about her wasn't enough! I didn't know so much little details about her life, even my husband who knows more about Islam than I do was surprised to learn new things from me :) it is very details and breathtaking, thank you to the authors and the translator for taking us back in time of true faith! Can't wait to read "Aisha" now...

Great buy !

This is a great book on the biography of Khadija. It is not only a biography, but also a book that guides you to gaining inspiration from the first Muslim, wife of the Prophet Muhammad, and mother. The book itself came with some sticky stuff on the back, but it's all good. The contents were great.

Very informative and a lovely read

I enjoyed reading every word! Khadija is a great role model for Muslim woman. We should all strive to be like the prophets wife's.

The absolute best. Well written. I appreciated the pictures. How wonderful of you to write this, Thank you so very much.

Excellent stories of the life of our mother, the mother of the believers, whose sacrifices for her beloved husband and the religion will never cease to amaze and inspire us. May the society in general and Moslems in particular can benefit from it.

Very good, focuses on the sacrifices if Khadija and the life she lead in support of the Prophet. Truly inspiring
