Customer Reviews

I'm a long-time TUT (The Universe Talks) fan, and look forward to my Mon-Fri emails with messages from the Universe. They start my day off right. Now I have the daily calendar, so I get a double dose of goodness!

I bought this for our business, because people kept ripping pages out of our old perpetual calendar. It took awhile to find a suitable replacement but I am very happy we found this one. It is perfect for our business because it doesn't have any religious connotations, just warm fuzzies to make you feel better about you and your day, along with a beautiful watercolor picture. The pages are very heavy duty, and turn nicely on the spiral binding. We get compliments on it all the time, and people will even flip through the pages just to check out the other sayings because they think it is so cool. It's a great product, and in a world where perpetual calendars are hard to find at a good price - I wholeheartedly recommend this.

Daily optimistic messages to live by. I recommend for everyone.

This is a GREAT calendar, reusable year after year. Such great inspirational thoughts and the photos are outstanding and pleasing as well. Have purchased this as a gift last year and got one for me this year! Absolutely recommend for anyone wanting some spiritual nourishment with a dash of thoughtful fun.

Great morning motivation! Love this flip book that I can use for years to come! ã Â Â^Â%.

This product is absolutely phenomenal. I begin each day with a positive thought. I can reflect upon it as my day flows. The art work that accompanies each day is beautiful. Muted soft colors. The "best" attribute to this calendar is that it gives a constant lift to us daily, for years and years to come. Truth be told... I have enjoyed owning everything Mike has authored.

This is the perfect size for my desk at the office. I love having a new message from the Universe to read everyday. Signed, The Mrs.

I have been receiving Mike Dooley's Notes from the Universe daily since he first started - sometime in the 90's. They make such a difference in my attitude and in my life. I bought this calendar as a gift.
