Nacer Bailando (Dancing Home) (Spanish Edition)

Synopsis

Un año de revelaciones culmina con una actuación llena de sorpresas, mientras dos niñas descubren su lugar en el mundo. México es el país de sus padres, pero no el de Margie. Ella ha logrado convencer a sus compañeros de escuela que es cien por ciento estadounidense, igual que ellos. Pero cuando Lupe, su prima mexicana, va a vivir a su casa, la imagen de sí misma que había creado se deshace. La situación de Lupe no es fácil. Siente que su casa de México no es un hogar desde que su padre se fue al norte. La esperanza de poder encontrarlo en los Estados Unidos le da algo de consuelo, pero aprender un idioma nuevo en una escuela nueva representa un gran desafío. Al igual que Margie, Lupe necesita una amiga. Poco a poco, los pasos de cada niña van encontrando el ritmo de un baile compartido, a medida que descubren el verdadero significado del hogar. Siguiendo la tradición de Me llamo María a Isabel, Alma Flor Ada y su hijo Gabriel M. Zubizarreta ofrecen un relato honesto de los valores de la familia, y de la amistad y de la experiencia que debe atravesar el inmigrante: volverse parte de algo nuevo y, a la vez, conservar la propia identidad.

Customer Reviews

love every bit of this book. i would read this book again and recommend this book to every one to read.

A great story many recent immigrants who are raising their kids can relate to. Provides several opportunities to teach multiple perspectives and ways to teach young children how and why stereootyping is often wrong.

Loved this

I found myself relating to both Margie and Lupe. The characters were well written and believable. I came from a different country as a young child and I still remember feeling as overwhelmed as Lupe.

A good story about 2 girls and how AT first they heard at each other and turned out to team up in a Mexican dance for a Cinco de Mio party.

I read this book as a requirement for our school's 4th/5th grade reading bowl. It was a very interesting book.

The engaging story of two cousins who learn to appreciate their own culture while adapting to a new one. Excellent!

Amazing book
