The Navarre has been my favorite for years. It is 'meaty' and helps you understand passages more clearly.

The Navarre edition on the study of the Gospel of St. Matthew is excellent.

I have more than 5 Navarre Bible books, covering the Gospels and the Books of St Paul. The footnotes lead one thru a careful, precise investigation of the beautiful words of the apostles. If You're serious about studying God's holy Word, you won't go wrong with any of the Navarre Bible books. Praises be Jesus Christ!

This edition is similar to the Navarre Reader edition (OmniBus), but separated to the individual gospels. It seems cheap if you look at the price, but if you want to buy the whole new testament, it is more expensive. In that case I suggest you buy the Reader edition. I would say its very portable. Unfortunately its softbound so I don't think this would last very long if frequently used. The notes

inside is very detailed and its the best I've seen so far. Just FYI I like the notes in the Navarre compared to the St. Ignatius Catholic study bible.

ok

Love the whole Navarre Bible books.

I was very pleased with the book. It is very helpful in my Bible Class discussions. It looked brand new although it was a lot less in price than if I would have purchased it at a religious store

I've only looked for one answer. I have studied three other Navarre bibles and I'm sure this one will be good. The books conniption is very good.
