## Synopsis

Walt Disney Animation Studios' Moana is a sweeping, CG-animated comedy-adventure about a spirited teenager on an impossible mission to fulfill her ancestors' quest. In the ancient South Pacific world of Oceania, Moana, a born navigator, sets sail in search of a fabled island. During her incredible journey, she teams up with the legendary demi-god Maui to traverse the open ocean on an action-packed voyage. They encounter enormous sea creatures, breathtaking underworlds, and ancient folklore. This full-color storybook stars Maui, the tattooed, shape-shifting demigod. The book is perfect for children ages 3 to 7 and comes with more than 30 stickers!

I got this for my niece's birthday as part of a book bundle. Books always make a great gift, as parent's and kid's love them, so of course this was a hit. The brightly colored pictures and easy to read pages make it perfect for those just learning to read.

Great maui book that isn't too long of a read. The stickers are a great bonus. Fun pictures. A must for any Maui (or Moana) fans

Kids love this book. It is a fast read that correlates with the movie. There are two pages of stickers, which is a plus.

This is one of my granddaughters favorite movie she going to love this

Nice book. Needs to be shipped with rigid cardboard inside. USPS had bent book. Not too big of a deal but did have a crease in it when opening. My 5 year old didn't notice. Surprised with stickers. Daughter loves it.
