Wonderful book for beginner readers! Great picture cues too!

Excellent

Good for beginners

My Niece loved it!

I purchased this for my new little reader after reading other reviews. I am very disappointed and feel like it was a waste of money. there are no easy to sound out words so my new little reader will not be able to enjoy this at all...

My daughter brought this book home from class. Our dog ate it! I ordered this to replace it. It arrived on time & in perfect condition. It's one of my daughter's favorite books.

Great reader for my five-year-old because she is a big fan of Cinderella. I am glad someone paired learning to read with Cinderella. It encourages my daughter because she wants to read Cinderella by herself.
