100 Bible Verses Everyone Should Know By Heart

Synopsis

Change your life from Genesis 1:1 to Revelation 22:20. With the immediacy of Internet searches and ease of handheld devices, the custom of memorizing Scripture may not seem necessary, but best-selling author Robert J. Morgan makes an airtight case for reviving this rewarding practice in *100 Bible Verses Everyone Should Know by Heart*. "It's vital for mental and emotional health and for spiritual well-being," he writes. "It's as powerful as acorns dropping into furrows in the forest. It allows God's words to sink into your brain and permeate your subconscious thoughts. It saturates the personality, satiates the soul, and stockpiles the mind. It changes the atmosphere of every family and alters the weather forecast of every day." In a series of brief opening chapters, Morgan prepares us for this new old way of thinking and then presents his experienced list of 100 crucial verses, providing sidebar notes, quotes, and memorization tips for each. Extra pages are included to add your favorite verses, extending this life-changing exercise and memorization habit. "Rob Morgan never disappoints me. His books do what a good book should do: make you think about life from a new and fresh perspective." David Jeremiah, New York Times best-selling author

Robert J. Morgan is a best-selling, Gold Medallion Award-winning author of books including *Then Sings My Soul*, *The Red Sea Rules*, *The Promise*, and *The Children's Daily Devotional Bible*. He has also served as pastor of The Donelson Fellowship in Nashville, Tennessee, for three decades. Morgan and his wife have three daughters and ten grandchildren.

This was an excellent book to read. I enjoyed every verse that was chosen, more so the illustrations. In addition to giving you the verses to memorize Mr. Morgan broke them down to their simplest of form; explained the verses; and at times just told stories of how Missionaries, Preachers, Teachers and Theologians (past and present) were inspired, motivated, triumphed, and even endured hardships because of the bible verses they memorized. I bought both a hard copy and the Kindle version for my personal studies. Our children's Pastor also bought several copies for us to use as devotional study with our middle and elementary students.

I've always wanted to learn Bible verses but didn't really know how. Since I bought this book I've already learned 6 Bible verses. I wish someone had explained this to me before. Thank you for this wonderful book that I have in my Kindle and a hardcopy as well.

It is uplifting and helpful to read and apply these verses to our daily lives. I know that what we need to live a good, honest and productive life is all encapsulated within the bible and continue to work toward being in line with the truth that it offers.

Outstanding Book! The Bible verses are in the Holman Christian Standard Bible (HCSB), a modern English Bible translation which was new to me, but a good translation similar to my NIV. Each verse has easy to understand and interesting commentary. When I purchased this book, I got two; one for me and one for a friend (both of us in our seventies). We meet once a week to discuss the verses we read and encourage each other to continue. I liked the book so much that I purchased two more and gave them to my granddaughter and suggested she find a friend to go through it with. You won't regret buying this book.

This book is a must if you are serious about your faith. It has changed my life and more importantly my relationship with Scripture. I wake up every morning anxious to check the next verse to memorize, and experience much peace and satisfaction in doing it. The verses were chosen with great care. Each one is explained in detail, making it easier to put to memory. The author has taken the time and effort to explain the logic behind the written word, and how it all fits together. I have found that when I understand, I want to learn more. Many thanks to Robert J. Morgan!

100 very important messages from our Lord to hide in our hearts. I couldn't say it better than the

author, "...whenever we store away a verse in our minds, it becomes a concealed weapon. It's a light, a lamp, a vault of gold, a hive of honey, a two-edged sword. It's available day and night for practical purposes. It helps us 'fix' our thoughts, and we fix our thoughts by fixing them on Jesus via His...Word"

Love to flip through this book and read the scriptures when taking a break from work or just anytime I feel like I need to read certain scriptures.

This is a great book, it makes it so easy to memorize God's word!
