Paulâ™s letter to the church in Rome has inspired countless believers. In it Augustine finds the seed plot of his faith; it sparks a revolution in the heart of Martin Luther, ignites the mind of Jonathan Edwards, and strangely warms the heart of John Wesley. It is Paulâ™s manifesto of the new kingdom, declaring our essential beliefs and establishing our agenda as Christâ™s disciples. In it Paul shows that the plan of God is more than a mere fire escape through which a few find safety from the flames of eternal punishment. This grand plan is nothing less than the Creatorâ™s intention to bring His creation back under divine dominion, to cleanse it of evil, to redeem, reclaim,

and renovate the universe so that it once again fully reflects His glory. It is the gospelâ •good news to each individual, and the greater news of the return of Godâ ™s righteousness to its rightful place in the world.â •Chuck Swindoll

Chuck has always been "The Sermonator" in my mind. The guy communicates in such a way that draws you into the message and relates it directly to your life. From the opening pages of this book - its just like my radio is on and Chuck is speaking through the pages. You can hear his tone, his creativity, and his passion for Biblical truth in just about every page. Obviously it is no comparison to the scriptures themselves - but for someone looking for additional cultural insights, original language cues as well as historical context, I recommend it to anyone.

Absolutely opened up the book of Romans for me. I knew and read Romans many times, but the explanations about the original wording and meaning along with the traditions and culture of the time period gave it new life and especially new meaning. This book is not tedious, it reads well and is a pleasure! Chuck Swindoll has done it again.

This is an excellent book. It is easy to understand and practical for today's issues. I would highly recommend it as just a book to read as well as one to supplement a Bible Study on Romans.

Hope to finish it soon

Mr. Swindoll has a a God given gift for sharing God's word in an understandable way. Whether it be the circumstances I am currently facing, the season of life I am in, or whatever, I learned more from this study- "Insights on Romans" than any other in my past. I highly recommend Insights on Romans

Excellence!

Easy to understand commentary

IÃ¢Â™m very grateful for time spent reading Chuck SwindollÃ¢Â™s Living Insights on Romans! Chuck Swindoll thoroughly covers PaulÃ¢Â™s Letter to The Romans, always with reverence for GodÃ¢Â™s Word and genuine respect for Paul, The Apostle of Grace. Chuck shares many personal insights from his years in ministry as we travel with Paul. We discover that

God is Sovereign and that all things work together for good to those who love God, to those who are called according to His Purpose. (Romans 8:28). We discover that nothing can separate us from God's Love in Christ Jesus our Lord. (Romans 8: 32-39) We travel to the top of the mountain where Paul says, "the depth of the riches both of the wisdom and knowledge of God! How unsearchable are His Judgements, and His Ways past finding out!" (Romans 11:33) This is a joyful statement which shares The Peace of God, which passes all understanding! (Philippians 4:7) Chuck Swindoll has a way of teaching with real depth that always goes beyond the letter to the Spirit. This is truly a masterpiece!
