Mi Trineo / My Sled (Mirame Ahi Voy) (Spanish Edition)

Synopsis

There's nothing like the first time on a sled. This text will remind readers who've been sledding about the joys of that experience, while those who haven't been sledding yet will be encouraged to try it out. Full-color photographs of children sledding and having fun complement the age-appropriate text in this volume, which also includes a picture glossary, index, and educational websites for further learning.
