Customer Reviews

Down The Shore Publishing, a publisher of regional books about New Jersey and the Shore, has been featuring the work of professional and great amateur photographers in this classic Jersey Shore calendar since 1984.

This is an annual purchase I make every year. If you like the Jersey Shore, Lighthouses, and their history, these annual calendars make a great wall hanging that can be viewed all year. Every year, people submit wonderful photos of the many lighthouses that envelop the state. It's great to see what they come up with.

This calendar is great for people who live or vacation in New Jersey. The lighthouses are very recognizable. A great feature is the tide chart, which comes in handy when planning your boat or fishing trips.
