A Pilgrim's Journey: The Autobiography Of St. Ignatius Of Loyola

Synopsis

Saint Ignatius of Loyola was a man who saw above and beyond his century, a man of vision and calm hope, who could step comfortably into our era and the Church of our time and show us how to draw closer to Christ. Ignatius' autobiography spans eighteen very important years of this saint's 65-year life—from his wounding at Pamplona (1521) through his conversion, his university studies and his journey to Rome in order to place his followers and himself at the disposal of the Pope. These critical years reveal the incredible transformation and spiritual growth in the soul of a great saint and the events that helped to bring about that change in his life. This classic work merits a long life. Apart from providing a splendid translation of the saint's original text, Father Tylanda has included an informative commentary which enables the modern reader to grasp various allusions in the text-and to gain a better view of a saintly man baring his soul.

Customer Reviews

Text: English (translation) Original Language: Spanish

A few interesting anecdotes, but honestly, I thought it'd be better. No offense, St. Ignatius. I imagine God can write a better biography--a much, much better one. I didn't bother reading the footnotes/endnotes and such. At times, a bit boring.

I've been a Catholic all my life, and only had a vague idea how Ignatius had founded the Jesuits. This autobiography---with carefully researched notes---really changed my perspective on his life and

works. What a fascinating guy. Very different from my stereotyped idea of him. Very glad I read this.

This was a great study Loyola's journey, the insight provided give us a knowledge of Passion and compassion of the founder of The Society of Jesus. This book also helps us to understand the struggles of a journey with a passion.

I read this book with my wife while we did Ignatius' Spiritual Exercises. His life story is inspiring and helped make the exercises more personal for us.

This is a wonderful book with explanations and extra backstory by the author.

A good book, the print is very small, however it will help give you a deeper understanding of St, Ignatius.

Easy to read but sometimes the notes are repetitive and distracting. Nonetheless, it's quite accessible and full of interesting factoids.

Very detailed biography of St. Ignatius
