Customer Reviews

Mary Engelbreit's aphorisms and artwork appear on millions of greeting cards and gift products. Her popularity continues to grow through the success of her books, calendars, home decor, stationery, and crafting lines. Her company is based in St. Louis, Missouri.

I bought this to use as a journal of sorts. It is perfect. Enough space for my daily notations. Doesn't skimp on Saturday and Sunday like a lot of appointment books. Handy pocket in back cover perfect for "stuff". Every week has a new positive quote. The back pages are for notes, contacts, 2016 & 2018 calendars. The cover has a fun design I won't get tired of.

would be better as a ring binder so pages would turn easily and fold/lay flatdifficult to maneuver to write in .

Love it keeps me informed for all my doctor appointments!!

I love it - great layout, quotes and colours. Easy to find in my bag too!

Just what I wanted!

Ugly and too big for a purse calender!

I love the size of this planner, but was disappointed it didn't include August-Dec. 2016 weekly grids. I would never call it a 2016-2017 Monthly/Weekly planner, when all it has are the monthly pages for 2016 from July on. The lay flat binding isn't very flat, and there are no tabs to find the months.
