Highly Favored Of The Lord: Mike Stroud Podcasts (Volume 1)

Synopsis

After retiring as a teacher from the Church Education System and serving multiple missions for the Church of Jesus Christ of Latter-day Saints, Mike started making podcasts for members in remote areas of the world to teach precious truths hiding in plain sight. Explore in this volume some answers to these questions: • What are the false traditions of our fathers today? • What is the difference between the Holy Spirit and the Holy Ghost? • How can you avoid being deceived? • Why do bad things happen to good people? • Why didn't that priesthood blessing heal you? • What is the difference between mercy and justice? • What is the difference between knowledge and wisdom? Mike also teaches how to successfully navigate the events leading up to the Second Coming of our Savior when we "Receive the Truth, and take the Holy Spirit for our guide"; as only those who learn to do this will stand in the day of His Coming, and abide that Day. The writings of John Pontious have changed my life and finding Michael Strouds podcasts have continued to help my spiritual growth. I have listened to Mike's podcasts several times. They have given me a whole new perspective on gospel principles and the "Precious Promises" that are available to those who are seeking them. It's great to now have them in written form, to be able to highlight concepts for further contemplation and study.

I have listened to the podcasts that this book is a transcription from several times. They have

changed my focus on the Savior in a significant way, and helped me release my incorrect beliefs as to what is really possible in mortality towards seeking the face of God. I am excited to finally have this on paper, as it is hard to yellow highlight a podcast.

I love learning gospel principles that are rarely talked about so this is perfect. I also had the advantage of heavily studying his podcasts as I worked to help this project come to fruition. It was well worth it! This book dispells many LDS false traditions of the fathers.

I have been listening to Mike Stroud's podcasts for months now and have loved them! I am so glad to see them in written form. If you are interested in taking your study of the gospel and of the mysteries of God to a whole different level than this is for you!

If one wants to dive into the mysteries of God...this is the book. Easy read, simple to read and very informative to say the very least. Completely enjoyed every page.

This is a book of lessons given by Mike Stroud. He is a wonderful teacher and the book has his first 11 lessons from his podcast printed and edited in a chapter format. I like being able to read the lessons and use the book to help me in my study of the topics he covers. Thank you for putting these podcasts in print!

Outstanding book for the spiritually advanced Latter-Day Saint about deeper spiritual doctrines and mysteries from behind the veil as taught in scriptures and by early church leaders, especially Joseph Smith's teachings. Moves beyond standardized entry level gospel curriculum. Its content relates to temple teachings and things taught directly via personal revelations through the veil. This book will amaze, spiritually uplift, and feed your spirit if you remain open minded or teachable. This series is among my top 5 recommended reads, beyond standardized scriptures!

I have listened to the podcasts of this book. I had to buy the book so I could read the words over and over again. Mike Stroud brings truths to life that I have needed for a large part of my adult life. His simple way of explaining thing so they are understood is amazing and pure. I will buy each and every book he puts out there, waiting to get the next anxiously so my spirit can be further fed. Thank you for putting these truths into book form.
