The Hot One

Synopsis

A sexy new standalone romance from #1 New York Times Bestselling Author Lauren Blakely

Ever notice that sometimes a guy will do something really stupid, like let the love of his life slip through his fingers? Yeah. I'm that guy. But the instant I run into her again I've got one goal and one goal only-a second chance. The plan? Go big or go home. Fine, at first glance, stripping naked at my ex-girlfriend's place of work might not seem like the brightest way to win her heart again. But trust me on this count-she always liked me best without any clothes on. And sometimes you've got to play to your strengths when you're fighting an uphill battle. As a lawyer, I know how to fight, and I'm prepared to fight hard for her. Because sometimes you need a second chance at first love. *He's the one who got away . . . *

The nerve of Tyler Nichols to reappear like that at my job, showing off his rock-hard body that drove me wild far too many nights. That man with his knowing grin and mischievous eyes is nothing but a cocky jerk to saunter back into my life. Except, what if he's not . . . ? I've tried like hell to forget him, but maybe I'm cursed to remember the guy I fell madly in love with eight years ago. Lord knows I'm not over him, so what's the harm in giving him a week to prove he's changed in the ways that matter? *After all, how do you resist the hot one . . . ?*

Tyler broke Delaney's heart 8 years ago when he broke up with her before going to law school. Now he sees her in a park and wants to get to know her again. Delaney thought she was over Tyler, even though she dreamed of him ever since. When he reappears in her life again she doesn't know if she

should give him a chance again. Tyler is nothing but persistent and will not give up on having Delaney even if he goes about things the wrong way. But he learns he can't cut corners when trying to build the relationship. Will he discover this too late though to show Delaney that he wants her forever? The Hot One is another great book that ties characters that we already know and love. Lauren knows how to do this so well and to bring us into the next book.

5 Stars to The Hot One by Lauren Blakely. Lauren Blakely has me addicted! I have loved every single one of her books that I had the pleasure of reading. Her heroes are amazing! Sexy as hell. Hot damn! Tyler and Delaney..... Tyler and Delaney were college sweethearts. In fact they were truly in love with each other. They planned out their futures together and couldn't be happier. Until it was over. Tyler decided that he couldn't afford to be distracted while pursuing his dreams of becoming a lawyer. So he broke up with Delaney, tearing her heart to shreds. Yeah...not his finest moment. Fast forward eight years and a chance moment finds them seeing each other for the first time since their break up. Tyler is speechless when he sees Delaney. He is shocked. But at the same time he is excited and hopeful. Tyler is determined to win her back. He knows that he hurt her badly. Tyler deeply regrets his callous decision to end things with Delaney. He wants a second chance desperately. Once he decides to win her back, he knows he'll do anything and everything to make that happen. Can I just say how much I loved Tyler? I loved watching him fight for Delaney. He was aggressive in his pursuit, however he was so sweet and romantic at the same time. Tyler is totally swoon-worthy and the truth is...Delaney never had a chance. As for Delaney, I'm glad she didn't make things easy for Tyler. She had every right to be angry with him as well as being wary of trusting him once again with her heart. I usually enjoy the antics of a groveling hero but I found myself forgiving Tyler quickly. I could not help it. He was just too sweet, too sexy, and over the top romantic. Most importantly, he knew he was wrong and he regretted hurting and losing her. Tyler always put Delaney's feelings first. He understood her hesitancy and was a gentleman as he pursued her. Tyler did not make it easy for Delaney to resist. Simply put, he was so lovable. There were a lot of fun and witty moments in this book. I read with a constant goofy grin on my face. My heart was so full for Tyler and Delaney. I was very happy with their ending. Or should I say their 'beginning?' Lauren Blakely's characters are so lovable. Her heroines are sassy, intelligent and headstrong. Her heroes are imperfect and perfect at the same time. Not to mention...they are strong, fit and sexy!

Lauren Blakely provided yet another delight in The Hot One. This was a classic second-chances

love story with characters I adored, especially Carly, witty, clever banter, and wonderful, close friendships. It was one of those reads you can rely on to captivate and enthrall. I'm thankful authors like Blakely exist, because they consistently provide delectable morsels to consume. So looking forward to Nicole's story next.

This is a sexy love story of two people who take a second chance at love. Years ago Tyler was preparing for college graduation and his professor gave him advice that he would regret all his life. It was the fact that if he wanted to become a good lawyer he needed to have no distractions so he should dump his girlfriend and Tyler did just that. Delaney was heartbroken and instead of becoming a lawyer also she chose a different career path. Her father influenced this decision by telling her she was just like him which horrified her. She decided to become a masseuse and owned a successful salon. Tyler became an entertainment lawyer and had a successful practice. They both now lived in New York and Delaney was jogging and ran right by Tyler who was with his niece. It was as if lightning had struck him because he needed to reconnect with her again. This story is about how they manage to find true love again and get their happily ever after. This is a very hot romance and makes you believe that true love can exist if you give it a chance. I highly recommend this erotic romance that is very light reading and a feel good story.

Love the determination of Tyler to go and get his girl. You can feel the chemistry between the both of them. This is one of the best second chance book I have read in a long time. It's light and inspiring.

Another fun addition to Ms. Blakely's Male POV stand alone non-series. This a second chance romance. Fun , interesting characters and a sweet, well-paced story with a little steam to keep things interesting. Fun way to unwind for a couple of hours and let your mind rest.

Just another reading that has awesomeness all over it!! Hot gorgeous guy. Hot amazing storytelling. Hot as hell sex. ~ ~ ~ ~ ~ Seriously, who wants anything more? So in love with Lauren and her writings. Five kudos to Ms. Blakely ~ ~ ~ ~ ~

All her books are funny, sexy told in the pov of both the male and female leads. They are stand alone but fun to read in order. I love Tyler and Delaney's second chance romance. Such a great story!
