Wilson "Wunan" Tortosa is a Filipino comic book artist best known for his works on Tomb Raider and the American relaunch of Battle of The Planets for Top Cow Productions. Wilson attended Philippine Cultural High School, then went on to the University of Santo Tomas where he graduated with a Bachelor's Degree in Fine Arts, majoring

in Advertising. Benny Fuentes lives in Villahermosa, Tabasco in Mexico, where the temperature is just as hot as the sauce. He studied graphic design in college, but now he works as a full-time colorist in the comic book and graphic novel industry for companies like Marvel, DC Comics, and Top Cow Productions. He shares his home with two crazy cats, Chelo and Kitty, who act like they own the place.

My kid is not big on reading so I am always looking for books that would peak his interest and get him reading. This was perfect.

Loves all these books, helps keep him reading as he doesn't like to read but loves these.

White needle is a great book it covers things we know could happen I personally wish this book could be longer but it's still a great book.

I've always loved army but when I read this book I didn't know how much I would learn from it.

A+

grandson likes the book

My son loves this book and it arrived in great condition.

I didn't like this book at all. I understand that some groups (not rebels) could've harmed innocents but the book fails to mention that some young men died to free their country from Bashar Al-Assad. Also this book says that Muslims were trying to send a very powerful nerve gas toward the largest city in Syria. I refuse to believe that a group as big as that of Muslims would be willing to do that while it would be more realistic if Bashar was the one trying to do this as he has been killing innocents for 4 years now.
