Biblical Hebrew Laminated Sheet (Zondervan Get An A! Study Guides)

Synopsis

Students of biblical Greek and Hebrew may not know everything they need to know, but they do know there's a lot they need to know! Whether studying for exams or translating passages of Scripture, students need critical information at their fingertips. Instead, it's usually scattered throughout textbooks, self-made crib sheets, and sticky-notes on their computer monitor. Now there's a better way! The Zondervan Get an A! Study Guides to Biblical Greek and Biblical Hebrew are handy, at-a-glance study aids ideal for last minute review, a quick overview of grammar, or as an aid in translation or sermon preparation. Each set contains four information-packed sheets that are laminated and three-hole-punched, making them both durable and portable. The study guides are tied to Zondervan's Basics of Biblical Greek and Basics of Biblical Hebrew.

Gary D. Pratico (ThD, Harvard Divinity School) is senior professor of Old Testament and Hebrew language at Gordon-Conwell Theological Seminary. He has been teaching Hebrew for more than thirty years and is coauthor with Miles V. Van Pelt of *Basics of Biblical Hebrew* (grammar and workbook) and *The Vocabulary Guide to Biblical Hebrew*. Miles Van Pelt (PhD, Southern Baptist Theological Seminary) is the Alan Belcher Professor of Old Testament and Biblical Languages at Reformed Theological Seminary in Jackson, Mississippi, where he also serves as Academic Dean. Miles lives in Madison, Mississippi, with his wife, Laurie, and their four children.

Haven't gotten far enough into my studies to use this yet, but I can see it is going to be quite helpful. It has a lot of information on it to compliment the Primer one, I suggest you buy this when you are purchasing the Primer as well as the answer book. I am learning through a group of people so it makes it easier, so in case you are learning on your own, you will have a way to check your work and progress.

I am using this along with Pratico's textbook as a student of Hebrew and I have been using it every time I study. It's useful for double-checking a single form or ending without having to flip through the entire book to find it. The inside contains all the verb forms, while the front and back contain everything else (prepositions, pronouns, pronominal suffixes, noun declensions, etc.) There are also short summaries of spelling rules for each category as well as rules for forming genitive constructs. The only thing I've found annoying is that, in an effort to keep the sheet as concise as possible, it leaves out some of the weak verb paradigms (especially I-guttural and II-guttural), probably assuming that they're easier to figure out based on patterns you should already know. I would have liked to have all of it in one place just in case I forget the patterns. If you're not using Pratico's textbook, it may be harder to navigate or understand the system on this sheet, but if you are using Pratico, I'd definitely recommend it!

I bought this item for my Jewish father in law who wanted to stick an easy to read Hebrew language guide in his Bible. I put it in his stocking and he was very pleased! This item arrived quickly and it was nicely laminated. It was done well because I was able to sort of half roll it and slip it in his stocking with ease and it bended right back to flat when he pulled it out. Thanks for a great product!

Very handy as a quick reference to the Hebrew alphabet. Letter meanings help to understand

Hebrew words.

Good quality construction and price. However not quite what I thought it would be... my fault.

Shalom

This is more in-depth than I was thinking, but it will be a good reference item if I do need it later.

Excellent as described.I strongly recommended this seller.

Fits perfectly in a loose leaf note book. It is a perfect cheat sheet. I bought several and placed them for quick reference under the glass of my desk.
