After going to the movie 3 times I just love this Bible Study Book.. I have a prayer closet now and I keep this book in my closet..I think it should be required that everyone go and see this movie...
EVERYONE~!

This is an excellent resource for people like me! I have never really "known" how to pray and went to see the movie War Room recently. After the movie I was so moved and inspired once again to learn "how to" pray! So I looked up to see if there were others looking for the same thing and found this book and the bonus was that it was on ! I highly recommend this Book! It is like the for Dummies series except about prayer! LOVE LOVE LOVE IT!

If you want to enhance your knowledge in God, this study would be the perfect place to start.

I have been involved in many Bible studies over the years. This study book used with the movie dvd inspired genuine change in a group of ladies who love the Lord.

Some of the outer covers looked worn, I ordered new ones not old.

I bought this item as a gift. Originally I was given a later date because none were in stock but I was fine with waiting, but to my surprise I got an email to let me know my deliver was moved up which was great and came even sooner than expected. My mom was thrilled it's a rare item and she enjoyed as well as many of her church friends. Thank you

Bought as a gift.

It is what it says it is. I recommend it to everyone who has seen that film.
