Synopsis

For the Lyon family, there are three things in life: music, family, and power. Fox's captivating drama Empire follows hip-hop mogul and former drug-dealer Lucious Lyons fall from the top. After a fateful medical diagnosis, Lucious must hand over his music company, Empire Entertainment, to one of his three sons. Things only get more problematic when Lucious ex-wife, Cookie, now released from prison, steps back into the picture, claiming he owes her for taking the blame years earlier for his crimes. This wall calendar is a must for any Empire fan.
